INSTANT-ACCESS CERTIFICATION TAGGING

Are you looking for a comprehensive, convenient and cost effective hose tagging and hose identification solution? We now offer the CERTAG, a heavy-duty clear wrap designed specifically to withstand the rigors associated with industrial applications. These fully-protected and highly-visible certification "tags" provide the user with full customization of any applicable information. By utilizing a waterproof and UV stable clear wrap-around tail, whose high tack adhesive binds directly to the ferrule, sleeve or collar of any size assembly, you can rest easy knowing your employees can quickly access pertinent information instantly from on-site. No more having to scroll through books of certifications or safety sheets...

SAVE TIME AND MONEY WITH CERTAG!

- **UV stable to combat fading**
- **Chemical and oil resistant**
- **Weather resistant and hard wearing - made to last a minimum of 5 years outdoors**
- **Thermal transfer printing gives some of the most durable print results**
- **Waterproof with a high tack adhesive**
- **Suitable for all hose sizes**
- **Highly customizable**
