

(800) 344-0150

A team driven to provide quality hose solutions through ingenuity, passion and commitment.

**MASSIVE INVENTORY!**  
We stock all your favorites...

**U.S. Hose & Coupling offers flexible solutions for the distribution network.**

Need a small run of hose? No problem, we have no set minimums! And with our two regional state-of-the-art facilities, we have the capability to make your entire assembly right in-house. You can even build it yourself using our NEW online assembly builder! Let us help you reduce your manpower and make your products better!

**HYDRAULIC - INDUSTRIAL - TEFLON  
METAL - COMPOSITE - PVC  
URETHANE - LAYFLAT - VINYL**

- All stock hoses are sold in **ANY LENGTH** with no minimum order. No need to order whole reel!
- **Same day shipping** on stock items purchased before 3PM EST. Drop shipments at no additional charge!
- Custom inventory programs. Keep your inventory low with monthly or bi-monthly releases.
- Crimp to 6", internal expansion, custom stainless steel tagging, color coding hose sleeve and armor guard all available.
- Certification of hose assemblies and pressure testing on our factory-made hose assemblies upon request.
- Innovative solutions and knowledgeable technical support built on decades of experience.
